

GENERAL MANAGER (Full time)

Key Responsibilities:

You will be the face of our business, greeting customers, serving both on and off-licence.

Manage and nurture a small team, with key decision-maker responsibilities.

You will have a high degree of autonomy enabling you to shape the business and make a real difference.

Grow the business through creative ideas and innovative practices.

Product range selection, inventory management, supplier liaison, attend importer tastings.

Create and run numerous shop tastings and events.

Report to the owners.

Skills/Attributes/Qualifications:

Be incredibly passionate about the wine world and care above all for our customers and the business.

Supremely friendly, customer-focussed, down to earth and definitely not a wine snob!

Great attention to detail, be creative, have excellent presentation skills and be a problem solver.

Previous team management experience and marketing skills will set you apart.

Be a self starter with the ability to take ownership and be a leader.

Excellent wine knowledge is a must along with good computer skills.

Salary & Benefits:

Your excellent salary will be dependent on experience and the potential we see in you plus, you will also have access to the following:

- 5-20% profit share.
- Cost price on all wines, spirits & beers in the shop for you and your partner.
- International wine trips.
- 28 days paid annual leave a year (increasing with term of service).
- Limited evening and weekend hours.
- Professional development.
